Message from the CEO

We commenced our venture in 2006. It all began with just the retailers and distributors of the "IT equipment" comprising of Desktops Laptops, Printers etc. We also dealt in "Communication equipment" like Handheld VHF and UHF Radios, High-Frequency CODAN Radios, Satellite phones and airtimes. After some time, we diversified our business and included "Office Furniture" as well in our portfolio. Thereafter, we added LAN and WAN Networking with CCTV, Surveillance equipment and later on in 2012; we also initiated importing and dispensing "Office and Home Stationery."

At CROSSWORDS, we believe that our product ranges have the depth and flexibility to offer customers tailored and integrated solutions to their office needs, no matter how sophisticated or otherwise their requirements may be. We are committed to giving our customers the full benefit of our expertise and skills by constantly working to optimize processes and boost
